

## Best Practices Academic Session-2016-2017

### **Innovations and Best Practices:**

Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Glassware in labs is cleaned using biodegradable cleansing agent which consumes much less water compared to regular synthetic inorganic detergents.
- The College emphasizes on the use of one sided/ rough/ used papers for notices, results, attendance, etc.
- Leave applications, joining letters, requisitions are dedicatedly truncated in size to further reduce the use of papers.

Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

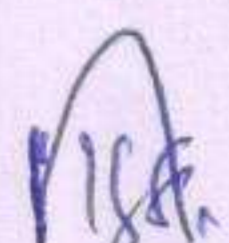

- IQAC is evaluating the systematic and timely implementation of the various activities according to the plan of action chalked out in the beginning of the year.

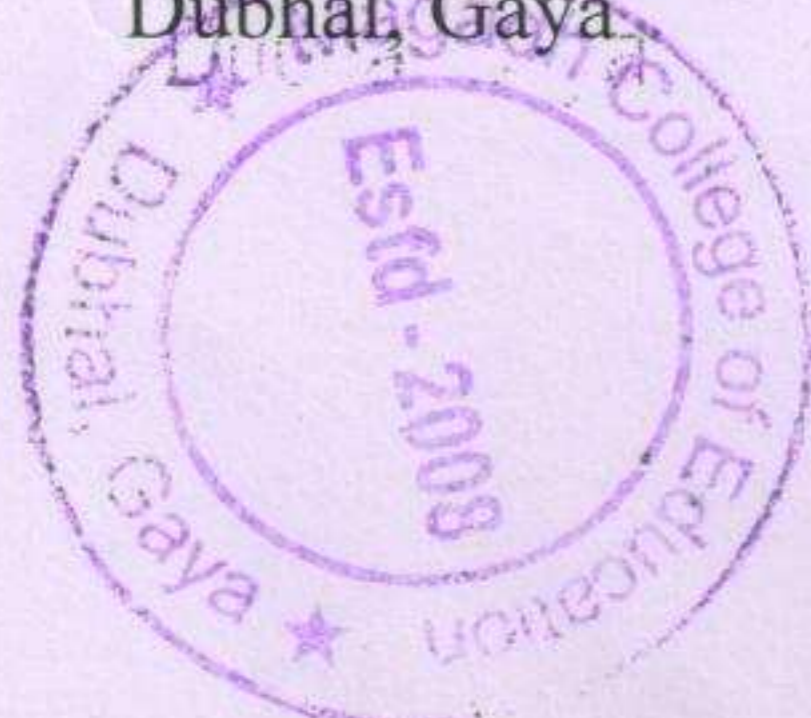

Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

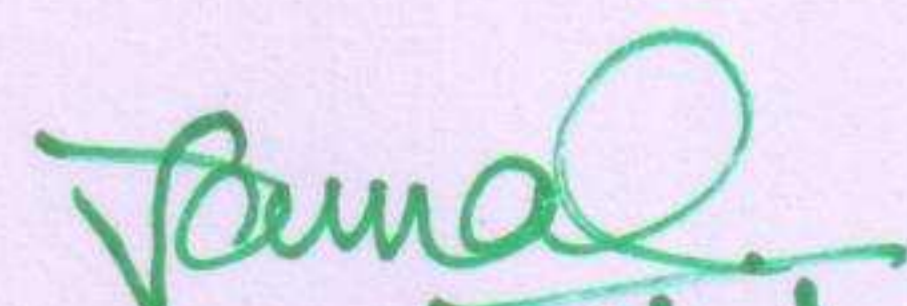

- The institute has adopted various best practices in its quest for continuous improvement. The faculty reading club has resulted in exposure to 05 books on different subjects and 7 articles which have helped expand the horizons of the faculty
- Involvement of the alumni and other professionals for promoting the use of Jute Bags and Jute products.

Contribution to environmental, awareness / protection

- Plastic Free Campus
- Solar Energy
- Tree plantation within the campus with Garden
- Rain Water Harvesting
- Smoke Free Campus
- Regular Cleanliness of Environment within & outside the campus.
