

## Best Practices Academic Session-2017-2018

### **Innovations and Best Practices:**

Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- **Glassware in labs is cleaned using biodegradable cleansing agent which consumes much less water compared to regular synthetic inorganic detergents.**
- **The College emphasizes on the use of one sided/ rough/ used papers for notices, results, attendance, etc.**
- **Leave applications, joining letters, requisitions are dedicatedly truncated in size to further reduce the use of papers.**

Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

- **IQAC is evaluating the systematic and timely implementation of the various activities according to the plan of action chalked out in the beginning of the year.**

Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

- **24X7 Wi-Fi enabled campus providing for technology access.**
- **Implementation of CCTV Camera in each classroom throughout the campus for surveillance.**

Contribution to environmental, awareness / protection

- **To promote sound environmental Management Policies and practices throughout the campus.**
- **To adopt targets for improving environmental performance.**
- **To Mange its operations in ways those are environmentally sustainable, Economically feasible and socially responsible.**
- **To ensure a sound understanding of current environmental performance.**
